Chair at 6 AM . . .

- ✓ Patient can initiate recline positions.
- ✓ Patient has full control on chair inclination.
- ✓ While sleeping, head pillow can be pushed back or dropped behind the chair. Since it is attached, it can't be "misplaced".
- ✓ Chair is easy to clean and maintain. Seat cushion is fully removable.
- ✓ Options include our heat and massage, an exerciser, a laptop table and the removable arm.
- ✓ CPR board slides in. No need to move the patient from chair.
- ✓ Heat and massage has UL listed power supply. It will draw up to 6 amps at peak.
- ✓ Heat and massage are both on 15 minute timers. They can't be left on.
